Disclaimer:

Chrome Plating - We use a company that we consider to be the very best in the trade with an excellent reputation. However, we cannot take responsibility or provide a warranty for their work. Should a problem arise, we would certainly pursue the matter on your behalf, but the chroming company's findings would be final. Any subsequent work e.g. respraying would not be covered under our warranty.

Carriage:

Most customers will come and collect in person but if you are unable to collect we would discuss the various options available for delivery.

Please use our paint and frame specification sheets for your frame colour and geometry options.
